Dear St. Rose of Lima School Parents,

The year is coming to an end, and I would like to take this opportunity to say thank you for all your help and support during these difficult times that we are all going through. I would also like to thank the students for their hard work during distance learning (zoom). It has been a challenge for all of us, but I can say that we all have succeeded.

I also would like to thank our teachers for their hard work and dedication to our students and for always going above and beyond. They are truly a blessing to St. Rose.

As for next school year '2020-2021,' we have not yet been communicated on what will be happening. The Archdiocese is waiting to see what the Los Angeles County Department of Public Health will be recommending for all school in the Los Angeles County. Nevertheless, St. Rose of Lima school will still be here to educate your child, whether we attend school on campus or through Distance Learning, the teachers will continue planning and teaching.

If the school continues with Distance Learning, during the summer break the teachers will be attending PD's to get them ready for next school year.

Thank you for trusting us with the education of your children! Have a Blessed Summer! It has been a blessing being part of such a wonderful school community. I am looking forward to a great 2020-21 school year!

Summer Reading Assignment

For students to continue practicing their reading skills, this summer students in each grade level will be receiving a Summer Reading. Students will need to read the book only. When students come back to school, they will give instructions and begin working on their reading project. The list of books will be inside their report card envelop as well as with their supply list and all of this will be mailed out.

Lima Guild

I would like to thank the Lima Guild members for another wonderful year. I would also like to take this opportunity to thank many of Lima Guild parents who will be leaving us (8th grade parents). Thank you for all of you hard work and dedication to our students and school.

Also, I would like to thank the lima guild members for supporting the faculty and staff and purchasing gift cards during Teacher Appreciation week and as well purchasing cleaning supplies to disinfecting the school.

Room Parents

Let me also thank the room parents for keeping the tradition going. Thank you for all the great activities for our students. Without your dedication this could not have been possible. Also, thank you for the gift cards given to the teachers during teacher appreciation week.

Special thanks to our room parent president, Mrs. Melissa Ortiz who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our students' already rich school traditions. Mrs. Ortiz has been part of the St. Rose of Lima family for 14 years, all three of her children have attended and graduated from St. Rose. Mrs. Ortiz has been serving as our room parent president for 13 year, it is with great sadness that we will be saying goodbye to her. There are no words to express our gratitude for the many years of service to our school and students. She will definitely be missed. This will always be your home Mrs. Ortiz

Sacraments

As of now, the Archbishop Jose Gomez has announced that all sacramentals have been propone until further notice. When and if we are

CONGRATULATIONS to all our 2020 St. Rose Graduates. We wish the best on this new journey that you will embark "High School." Best wishes and good luck. May God Bless you all.

able to come back to using the Church there will be guidelines that must be followed. We have been told that for our students who will be doing their first communion sacramental, only the child and 2 parents will be allowed to attend the mass.

iPad's

I applied for the C3 iPad grant, this grant provides additional iPads to students who are in need of technology and/or Wi-Fi at home. We were blessed to be given this grant once again. This week we were given extra iPads, if there are any students who are having difficulty with Wi-Fi you may barrow a school iPad which comes with Wi-Fi from Sprint. Please stop by the office and check one out.

Personal Supplies and iPads

Please see June's calendar for when each class may stop by to pick up their personal belongings as well as dropping off textbooks and iPads. Please follow the guidelines listed there for the safety of all in the building.

Many Blessings,
